Remarks

All liberations will take place in weather that will permit the 1st birds in Pretoria to arrive 1 hour before sundown on the Ultramarathon races or any other race when bad weather, strong headwinds or high temperatures are expected.

Transport membership is sold at R7560.Per year or R630 over 12 months Starting at August 2019 to July 2020 Members will receive:

- 2X25 bird Race baskets
- R120K Odra prizes for LG winners
- R56K prize money for the 7 club marker each week. 16 races X 7 clubs x R500 each week
- 1/2 Membership with 1X25 basket @ R4000 including participation for above prize money

The directors and management team of Odra will instruct the transporter wear to attempt Race-liberation, by not later than 10:00hr the Friday before liberation.

The final decision to liberate will depend on weather condition experienced at the liberation site by the transporter, who will then report his findings to the race secretary and transport manager, who will instruct the transporter what action to take.

This final and actual liberation station will be communicated to the members by SMS as soon as possible after the racers have been released.

Yearling and Open Race-birds will be liberated simultaneously. there will be 16 open & Youngbird races in 2021 season. The best Youngbird, even entered into the Open team will win the young bird race, thus a young bird can then be an open and JB winner in one race.

To ensure registered birds are being basketed and entered in each race, Clubs will be issued with a Konic club system which will be used before the bird being scanned on the normal Benzing, Tips or any other system. All baskets are fitted with Anti metal RFID Tags which will be scanned and recorded at the club and the Liberation site. The release levers at the back of the trucks will be remotely controlled to open or close from ODRA HQ.

All results will be available on Pigeonprogram.com.
